Syrian Arab Republic

Top secret and urgent

Directorate of General Intelligence

(information section)

Branch 255

Ref. 44/8678

Date: 26/1/2012

Circular

We have received the following information:

There are foreign officers in Akkar district, Akroum mountain, Lebanon, who installed stations to monitor the Syrian borders, army, and police movements in the villages on the borders with Lebanon, including Wadi Khalid and Tal Kalakh towns. A command Centre has also been set up in Albeira-Akkar village involving Lebanese Salafis and Syrian dissidents; it issues orders to the terrorists who infiltrate to the country illicitly to smuggle weapons; the command centre includes the following:

- The Syrian Salafi terrorist [redacted]
- Traitor [redacted] – Syrian national
- Sheikh [redacted] – Lebanese national
- Sheikh [redacted] – Syrian national
- Sheikh [redacted] – Syrian national

In addition to a number of fugitives who fled the country; coverage for them is provided by the Lebanese Information Branch, Internal Security forces and MPs representing the Future Movement in Akkar.

Information provided also show that the Lebanese Army Intelligence in Tripoli has information about a ship of weapons outbound from Libya and is expected to reach Tripoli within days and unload its cargo destined to the Syrian opposition.
